LinkedIn: [linkedin.com/in/tassnim-ahmed-a6211b351](https://www.linkedin.com/in/tassnim-ahmed-a6211b351)

PROFESSIONAL SUMMARY

Mechanical Engineering student at Alexandria University with hands-on academic project experience in mechanical design, kinematic analysis, industrial training, and marine engineering operations. Developing practical data analysis skills through DEPI training in Excel, Power Query, and Power BI, with exposure to Python and data science. Proficient in AutoCAD and SolidWorks, with a strong interest in combining mechanical engineering expertise with data-driven problem solving.

EDUCATION

B.Sc. in Mechanical Engineering

Expected 2028

Faculty of Engineering, Alexandria University, Alexandria, Egypt

TRAINING

Junior Data Analyst (Trainee)

Aug 2026 – Present

Digital Egypt Pioneers Initiative (DEPI), Alexandria, Egypt

- Developing practical proficiency in Excel, Power Query, and Power BI for effective data manipulation and visualization.
- Executed a sales performance analysis project by performing data cleaning, creating calculated fields, and building interactive dashboards with Pivot Tables, Pivot Charts, and slicers to improve decision-making.

GCI World 2026 — AI & Data Science Program

Sep 2026 – Dec 2026

Matsuo-Iwasawa Laboratory, The University of Tokyo | Online International Program

- International program covering Data Science, Python, NumPy, Pandas, Data Cleaning, Data Visualization, Machine Learning, SQL, and practical data-driven projects.
- Developing practical skills through exercises, assignments, competition activities, and a final project.

INTERNSHIP

Mechanical Engineering Intern

Aug 30 – Sep 10, 2026

Alexandria Port Authority, Alexandria, Egypt

- Gained hands-on exposure to slipways, floating docks, and dry docks, with practical visits to sheet-metal, welding, and motor-rewinding workshops.
- Studied marine firefighting systems, diesel engine operation and maintenance, HVAC and refrigeration systems, and elevator inspection and maintenance.
- Observed long-service industrial machinery and learned about maintenance practices in a real port environment.

Aug 9 – Aug 20, 2026

TITAN Cement Group, Egypt

- Completed an industrial internship focused on cement manufacturing processes, quality control, and industrial safety practices.
- Gained exposure to corporate finance fundamentals and enhanced interpersonal and soft skills within an industrial setup.

PROJECTS

Viscometer Project — Team Leader

FACULTY OF ENGINEERING, ALEXANDRIA, EGYPT

Feb 2026

- Led a project team to design and construct a manual viscometer for measuring fluid viscosity.
- Coordinated team tasks and managed execution to ensure accurate project delivery under academic guidelines.

Davis Steering Mechanism — Kinematic Analysis

FACULTY OF ENGINEERING, ALEXANDRIA, EGYPT

Nov 2025

- Conducted comprehensive position, velocity, and acceleration analyses of the Davis steering mechanism to evaluate kinematic efficiency.

VOLUNTEER EXPERIENCE

Events Unit Organizer

July 2026

Bibliotheca Alexandrina, Alexandria, Egypt

- Completed official organizers training and assisted in planning and managing conference operations and public events.

CERTIFICATIONS & WORKSHOPS

· Design in the Age of AI Session	Mansoura SolidWorks User Group (M-SWUGN)	Aug 2026
· IBM Data Fundamentals	· IBM Skills Build	Aug 2026
· Prompt Literacy Certification	· 1 Million Prompts, Dubai Future Foundation	Aug 2026
· AI for You	· Oracle	Aug 2026
· Events Unit Organizers Training	Bibliotheca Alexandrina	July 2026
· Data Engineering Fundamentals	TECHTREK Engineers Syndicate · Alexandria	Sep 2026
· Process Equipment for Oil & Gas Industry	Engineers Syndicate · Alexandria	Sep 2026
· Full Stack	· Arabian Academy Engineers Syndicate · Alexandria	Sep 2026

SKILLS

Technical & Engineering: AutoCAD, SolidWorks, Kinematic Analysis, Mechanical Design, Technical Analysis

Data Analysis: Microsoft Excel, Power Query, Power BI, Data Cleaning, Dashboarding, Pivot Tables, Data Visualization

Data Science Exposure: Python, NumPy, Pandas, SQL, Machine Learning Fundamentals

Languages

English (B1)
